February 2017 **VOL:159**

Dear Parents, teachers and students

*"Trust in the Lord with all your heart and lean not on your own understanding.
In all your ways acknowledge Him and He shall direct your paths." Proverbs 3: 5,6*

Man basically maintains a standard of self defense and is often very careful about things concerning him and things belonging to him. With rapid development of technology and ease and comfort of living on the one hand, we find that self centeredness has also grown or is growing in stature. But it is the desire of God that we live in unity and harmony with God and man and thereby enjoy a life of fullness.

In this materialistic world, children can easily fall prey to the evils and ills of the society. Therefore spiritual and moral upbringing of a child should become the topmost priority of all those who are responsible for the better life of him or her. The excellence of man is his character. God wants us to be the best people we can be. He asks us to walk on His footsteps and follow His example of good character.

As we advance into this new year, let's believe in what God has planned for us. Let us use our time wisely. God will surely bless you, when you work hard and put your faith in him. Have a great month.

With examinations soon approaching, let us pray to God for the success of all the students especially the Xth and XIIth graders. Always Remember to do your best and God will do the rest.

Your affectionate Principal,
Fr. Santhosh Mundanmani

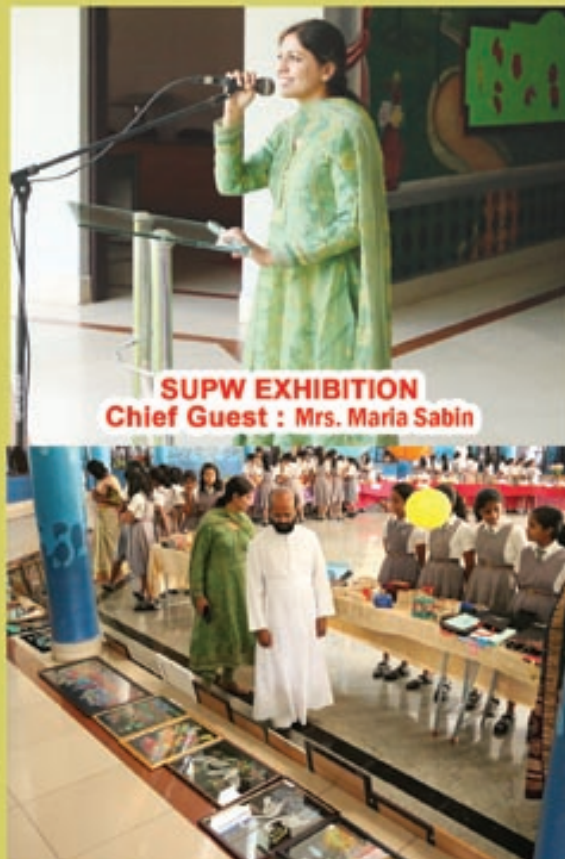

Hope you enjoyed the spectacular events that gave a wonderful start to this New year. It truly was a glorious month showered with God's blessings.

This month we have some significant events coming up. The Founders Day & Annual Day draws the close to all the Cultural events. The entire school will be immersed in a mood of great joy and honour as we commemorate our Founder father, St. Kuriakose Elias Chavara on Founder's Day along with our much awaited Annual Day.

We look forward to the Family Get-together of LKG, Grades I, II & III this month. Also on cards are our tiny tots' Toy Exhibition.

The Samavarthana of Grade XII is due. Let us wish them all the best for a wonderful and bright future and yes, don't forget to keep them in your prayers to our Lord God!

God bless You.
