Dear Parents, Teachers & Students,

June 2022 VOL:194

*"The LORD bless you and keep you! The LORD let his face shine upon you, and be gracious to you! The LORD look upon you kindly and give you peace! Numbers 6: 24-26.*

**Welcome!!** The start of a new school year is always a special time filled with much excitement as we begin to travel the road ahead. There is so much we have learned and yet to learn. It is for these experiences that we must thank God for the many blessings received.

After days of silent hallways and empty classrooms, it is a delight to welcome you, our beloved students, back into the building. After a lull of two years, it's with a great sense of awe, gratitude and appreciation that we kick start our new academic year 2022-2023. The extensive preparation and planning put into making school re-entry safe and welcoming is a testament to the care and commitment of all CMI staff. We are fortunate that at CMI we are able to meet the standard guidelines, and in many instances, exceed them. Our aim for the first day back is to normalize the school day, have students reacclimatise to the building, and re-engage positive connections with other students and staff, all of which are essential for successful learning and growth. This I hope would be a success, despite the masks, cohorts, handwashing, directional flow in hallways and physical distancing, to keep everyone in the community safe. It really is quite wonderful to see shining eyes peeking over the top of masks, as students arrive ready for the new school year. Thank you to all parents and guardians for helping to prepare your children for school, as this had a huge impact towards coming back to school successful.

So, thank you and I appreciate each and everyone involved who has made re-entry to school easier. We are happy to be back. Here's to staying safe and healthy, and having a return to in-person learning. May the grace of God be with you throughout this year. Let's make this new journey together a thumping success!!

Hi Kids,  
A warm welcome to you! It's been a long break and I'm pretty sure that you all are eagerly waiting to get back to school after the pandemic. It's time for a roller coaster ride and let's embark on our journey together all charged up.

Let's kick start the academic year with the inauguration of the LCCA and cultural programmes by Xth and XIIth graders. And the most significant and appealing event will be the welcoming of our cute little angels to our CMI family, the buds of Kindergarten. Let's make them feel at home by giving them a warm welcome.

Career guidance was introduced last year wherein the students are made to create a career plan, state their career goal and then list the specific things they need to do to achieve their goal.

School elections are conducted to make the students aware of their duties and responsibilities thereby enabling them to be responsible citizens of tomorrow.

The Annual Sports Meet is one of the most loved events of the year, which each one of you very longingly look forward to. Sports develops a sense of friendliness and develops your team spirit and it is an integral part of education. So here's wishing you all the very best to showcase your athletic talent and sportsmanship. Looking forward to rock with the IXth graders cultural programme thereafter.

Wishing you a year filled with fun and frolic! Give your best and strive to achieve your goal. Let's all continue to work together to create a better world.
