Dear Parents, Teachers & Students,

'It is more blessed to give than to receive.' Acts 20:35

What an exciting month June was, seeing bright and excited children back in the campus! I'm indeed grateful for God's mercy and sincerely appreciate the co-operation of parents, teachers and the children for a smooth beginning.

Giving, is how God demonstrates his love for us. John 3:16 is one of the most well-known verses of all time. It says, "For God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life". God demonstrates that He is love and love gives. If we truly want to be like Him, we'll give. Remember giving is contagious, it causes a ripple effect, when someone receives, they tend to pass it on, thus doing good for the entire society. As we celebrate the feast of Our Lady of Mount Carmel, let us generously open ourselves to do good for others by helping the needy and the underprivileged of the society around us. So, open up your hearts especially this month when we practise this month, the virtue of 'Help' and give willingly to the needy in the form of books.

May in this blessed festive season, the motherly love of our Virgin Mary's be showered on the Carmelite family. Wishing you all a happy feast on St. Thomas Day and Mount Carmel Day.

Your affectionate Director
Fr. Santhosh Mundanmani
