Dear parents,

Date: 10/06/2022

We would like to inform you that this year the marks given for quiz bowl will be considered for G.K. There won't be any monthly elimination. Students will have to attempt the quiz bowl every month till December. Students will enter the semifinals based on the highest average score secured from June to December. For each quiz bowl fifteen questions will be asked from the study material given and five questions will be general questions (outside the study material) connected with the topic of the month.

Dear Parents,

Date: 02/06/2022

This is to inform you that students who come in the school bus in the morning cannot be picked up from the school by the parents in the evening without informing the school office. Parents have to avoid collecting the students directly from the bus in the evening without informing the school office. Students of LKG, UKG, Grade I, II, III & IV won't be dropped at their respective stops if there is no responsible person to collect them.
