December 2022 **VOL:200**

Dear Parents, Teachers & Students,

*“Blessed is the season which engages the whole world
in a conspiracy of love.” – Hamilton Wright Mabie*

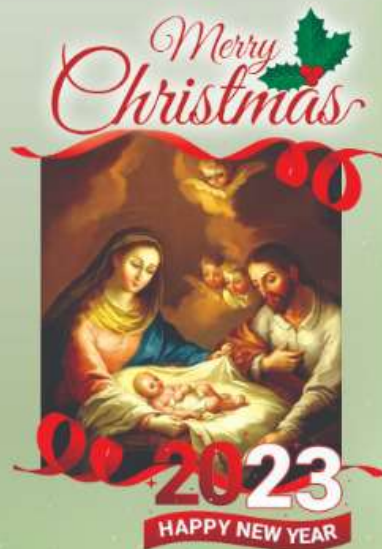

Tis December! With Christmas being right around the corner, our school too has begun its preparations. The spirit of Christmas begins with the beautifying of the campus and the bedecking of the Christmas tree. The best and beautiful things in the world cannot be seen or even touched. They must be felt by the heart. It's the season to spread the message of love, peace, goodwill and harmony. Christmas is most truly celebrated when, giving the light of love to those who need it, the most. Wishing you and your family, good health and many joyful moments throughout December and for the coming New Year.

Your affectionate Director
Fr. Santhosh Mundanmani

Happy Birthday

*May God's blessings flow abundantly
into your life.*
