February 2023 **VOL:202**

Dear Parents, Teachers & Students,

*"Blessed are all who fear the Lord, who walk in obedience to him." Psalm 128*

Teaching early obedience and setting boundaries is one of the most critical facets of parenting. We expect our kids to follow rules and respect everyone. Instilling obedience in young children means teaching them respect and other important character traits. When children are respectful, it draws healthy boundaries and it promotes the good and welfare of everybody.

"Success comes to those who work hard and stays with those, who don't rest on the laurels of the past". With examinations soon approaching, I ardently implore God for the academic success of all our students, especially the 10th and 12th graders. Do remember them in your prayers. Children, pray to our Good Lord on this journey of academic path, to give your mind clarity and focus to push through with success and also watch over you as you go through this process to come out in flying colours. To this end, I'm sure your family has steps to create an ambient environment to make you stay focussed in studies. Always do your best and I'm sure God will do the rest.

Your affectionate Director  
Fr. Santhosh Mundanmani

*Best Wishes*
