March 2023 **VOL:203**

Dear Parents, Teachers & Students,

“Thankfulness is the beginning of gratitude. Gratitude is the completion of thankfulness.”

As we draw the curtains down for this academic year, let us be thankful to God Almighty for His choicest blessings on each and everyone of the CMI fraternity. Gratitude is the virtue of rejoicing in what it is. It is expressing the feeling of joy, we get from all that brings us joy. It is an effective antidote to many negative emotions. It is a gift that we choose to celebrate. It is truly said by the Roman Philosopher Cicero, “Gratitude is not only the greatest of all the virtues but the parent of all others.”

The board exams have commenced, let us keep our children in our prayers. Here's wishing all the children the very best for the upcoming annual exams.

Your affectionate Director
Fr. Santhosh Mundanmani

Families are love, memories and laughter which we all share together. The kindergarten and the students of Grade II are getting ready for their family get together. Congratulations and wishing all the very best to the tiny tots of UKG, as they are all set to graduate this month.

Best of luck to all the students for your upcoming Annual Examination.
