June 2023

VOL:205

Dear Parents, Teachers & Students,

As we step into another bright new academic session 2023-2024, I would like to welcome you all to the CMI family. To the existing parents, you have been instrumental and supportive throughout last year and I'm humbled to see your encouragement. To the new parents, welcome to an experience of round-the-clock learning at CMI Public School. Let us then, all join together to make this year, an unforgettable and enjoyable one.

Students' success is attributed to the relationships we build within our community and this is more important now than ever. We will strive to develop a strong and effective home - school partnership so that our students can fully realise their potential. God has truly blessed us magnanimously again with cent percent results in both Xth and XIIth. The school toppers are Ms. Lena S Thazath with 99.2% from the Xth Grade and from the XIIth grade - Ms. Gauri Menon from the Science stream with 96 % and Ms. Adhia Bintu Dev from the Commerce stream with 95.4%. Hearty Congratulations to all of you. A big word of thanks to all our parents, teachers and well-wishers for your hard work, prayers and support. May the Lord bless and guide our students as they walk towards their future goals.

To quote John F Kennedy, "As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." It is such an amazing reminder for all of us to focus on our blessings and to remember to appreciate all that we have in our lives. It is also an incredible reminder that if we are truly grateful we will reach out to others and bless their lives too. Have an awesome and inspiring time in the year ahead.

Your affectionate Director
