Dear Parents, Teachers & Students,

Welcome back after the Onam holidays!

I hope you had a fun-filled and festive holidays. Every year, India celebrates the birth anniversary of Dr. Sarvepalli Radhakrishnan as National Teachers' Day, a tribute to his contributions and achievements. Here at CMI, we never forget to honour our teachers, who are the front runners behind the many successful endeavours of our school. Teachers are life changers! Their guidance, encouragement, and support have helped us become better individuals, and we are forever grateful.

Patience is power. It waits for the right time to act, for the right principles and in the right way. Like a seed in the snow which does not force itself to burst out and bloom until its season comes, patience teaches us to wait for the right time and the right season, so that the fruit it bears will be the best. In this fast paced world where everything is instant, a normal waiting period also will look like a tiring experience. So children, remember patience can nurture your young minds and ignite you in the most perfect ways.

Let's imbibe in us the spirit of sacrifice and patience, as we celebrate Our Lady's birthday this month. Wishing you all a Happy Feast.

Your affectionate Director

Congratulations

PARENTS BULLETIN

Kids' Club News

Hey Kids,

An exciting month awaits you after the Onam holidays. On September 5th, we will be celebrating Teachers' day. Let's thank and remember the teachers who have guided and shaped us. How fortunate we are to experience our dear teachers' optimism and blessings!

We will be celebrating Parents' day on 23rd September. Let's celebrate our parents who are our superheroes and the biggest supporters. Their unconditional love has made our lives much better. They teach us life long lessons which we treasure and pass on from generation to generation.

This month we will be witnessing the family get-together of Grades VIII, VII, VI and II. Let us rock'n roll by making our parents proud of our growth and achievements.
