January 2024 **VOL:212**

Dear Parents, Teachers & Students,

Let me begin by wishing you all a Happy New Year, filled with the season's cheer, good health, happiness and continued progress. During the winter break, I hope you had the chance to catch up with friends, family and enjoyed some rest and relaxation. This year too, dear parents as partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. Throughout December, our school campus reverberated with the seasonal vibe, brightly adorned like a beautiful bride, with our children's creativity, love and laughter. Thank you dear children for your wonderful teamwork.

As we commemorate our Republic Day on 26th of January, let us remember our founder leaders as well as our soldiers who guard our country. A big salute to all those wonderful people.

Maya Angelou once said, "People will forget what you said, people will forget what you did, but people will never forget how you made them feel." Hospitality is more than a gesture, it's about the emotional satisfaction created by an environment that values and cherishes each individual. And I'm proud to say that CMI Public School is a place that encapsulates the true essence of hospitality. It is indeed a "Home away from Home". So in this beautiful month of January, let's celebrate the virtue of hospitality in our lives. Wishing you all a very Happy Feast

Your affectionate Director

Kids' Club News

Hey beautiful kids,

January holds significance as a time of reflection, goal-setting, and the beginning of new chapters for each one of us.

What to look up for this month?

We have an upcoming Computer Science Exhibition and culminates with the last exhibition of the year, the SUPW Exhibition. Make a success of the same. Next we have the Family-get-together of Grade-V, Grade-III and UKG. All the very best! Rock it kids!!

This month do look forward to the cultural fiesta of Grades V, I and II. Best wishes for a spectacular cultural programme. May it be filled with vibrant performances and creative expressions. Kids, own the spotlight and let your passion echo through the rhythm on the stage.

So, this year patiently enter with strong and determined resolutions and make a best year out of it.

JANUARY 2024
