December 2023 **VOL:211**

Dear Parents, Teachers & Students,

"Love never fails." 1 Corinthians 13:8

Our Children's Day and Kids' Fest were top notch. Children never fail to amaze us and we are really proud of them.

'Tis the season to be jolly!! The air is filled with bliss. We welcome the season of Love, Joy, Peace and Happiness. Come December, we practice the virtue of Love. What a beautiful word and a wonderful emotion Love is! The world transforms into a magical wonderland of sparkling lights, colours filled with jubilation. It's the time of the year when hearts are opened, and love seems to permeate the very air we breathe. Christmas, in all its festive glory, is a celebration of love in its purest form.

God's steadfast love for us is beyond comprehension. So, as we celebrate the birth of our Lord Jesus Christ at Christmas, let us also strive diligently to abound in our love for each other.

*Wishing you all 'A Very Merry Christmas and
A Happy New Year!'*

Your affectionate Director

**HAPPY
BIRTHDAY**

*Wishing you a
Graceful & Blessed Future*

Kids' Club News

Hey beautiful Kids!!

December whispers the secret of the year's end, inviting us to ponder upon the passage of time and the inevitability of change, for in its fleeting days, we glimpse the impermanence of all things! What to look forward for this month??

Social Science Exhibition is coming up this month. This is definitely going to help you to connect with various subjects and I'm sure you will definitely make the best of it. Coming up on the same day is the Cultural Fiesta of Grade 8. Rock the stage kids!! What next? Oh yeah, Kinder Fest is coming up. It's definitely going to be brilliant. All the best, kiddies!! Before we wind up for the Christmas holidays, get set for your exams. Plan early and prepare well for the same. Let's end 2023 with contentment in our academic field too. Let's decorate our school campus with a festive spree of Christmas season - stockings, stars, ribbons, bells, poinsettias, Christmas tree, crib, tinsels etc. with your amazing imaginations and skills. Get going kids!!

See you next year with strong, sensible and definite resolutions. Have an amazing holiday folks.
