Dear Parents, Teachers & Students,

February 2024 **VOL:213**

*"Obedience is the fruit of faith." - Andrew Murray.*

One month went like a sprint. Welcome to the month of February, a time when the air is filled with the promise of new beginnings and the spirit of love, a period of transition- when winter begins to yield to the glimpses of spring. It was with great joy and fervour that we started this month to mark a momentous occasion - our 23rd Annual Day & Founder's Day celebration. This day was a testament to the collective effort, talent, and dedication that define the spirit of our institution. Together, let's make this month a chapter of inspiration, collaboration, and success in our academic journey.

Obedience is not merely a submission to authority; rather it is a cornerstone for personal and collective progress. It becomes virtuous when it aligns with the principles of justice, fairness and equality. So as we practise the virtue of obedience this month, let this be a conscious choice, guided by principles that uplift and inspire us. As we enter the crucial period leading up to the 10th and 12th board examinations, I want to take a moment to share my encouragement and support with each one of you. The upcoming exams are a significant milestone in the academic journey of our students, and I believe in the hard work and dedication they have put into their studies.

The dedicated team of our educators and parents continuous support, will play a vital role in helping our students navigate through this phase with confidence. Encourage them to stay focused, manage their time wisely, and approach the exams with a positive mindset. Dear students, remember that these exams are not just a test of your academic knowledge but also a testament to your growth, determination, and capabilities. Believe in yourself, stay calm, and do your best. As a school community, let's rally behind our students, cheering them on as they take this significant step in their academic journey. Wishing all our students success and achievement in the upcoming board examinations.

Hey Kids!!

Exams can be a challenging time, but remember that they are also an opportunity for you to showcase the knowledge and skills you've gained throughout the academic year. Believe in yourself, prepare diligently and work hard. Keep your seniors, the 10th and 12th in your prayers, as they prepare to write their board examination this month.

The last stage programme of this academic year, our Annual Day and Founder's Day on February 1st was a memorable one. This month, look out for our kindergarten cuties who are all set for their Toy exhibition. So, as we culminate this year's extra-curricular programmes, be prepared for the Quiz Bowl finals, as well as the CCA display which will also be happening this month. Wishing you all the very best in your curricular and co-curricular activities.
