March 2024

**VOL:214**

Dear Parents, Teachers & Students,

Gratitude is the memory of the heart - *Jean-Baptiste Massieu*

Wow! It feels like it was June yesterday and all of a sudden today's March! It was a rollercoaster ride! So how was this year? Definitely we made good friends, learned new lessons, had opportunities to become a part of something bigger than ourselves. We had the joy of travelling with our friends, had the experience of studying and living with people who come from different walks of life. We even had access to good quality education, incredible chances to interact with teachers who inspire and add value to our lives. The list actually goes on! As this academic year comes to an end in the month of March, let us count all our blessings and be grateful for all the things that have happened to us during this academic year. Let us remember that gratitude is the healthiest of all human emotions.

Your affectionate Director

All the very best for your exams. This month, Grade XI and the little ones of LKG are getting ready for their Family get together. Moreover, the UKG students will be graduating from Kindergarten.
