Signature of Assistant Engineer

1. This certificate is applicable only to safety related to civil construction. Separate certificates for fire safety and safety of electrical installations, electrical lines/conduits shall be obtained from the concerned departments.
 2. Maintenance of the school premises should be done periodically. The inspecting officer is not liable for any unfortunate accidents in the school premises due to lack of security or periodic maintenance.
 3. This certificate is only for the structural safety of the classrooms mentioned in this certificate. It does not cover safety in laboratories, kitchens, etc
 4. For any new construction in the school compound, should be intimated and a permit should be obtained from LSGI. Safety measures such as barricades must be ensured.
 5. Dense vegetation near classrooms must be avoided for child safety.
- To ensure student safety, the School Management shall be solely responsible for clearing and maintaining overgrown or dense vegetation near classrooms and high-traffic children's areas.
